CLASS PROPHECY

It is now the year 1965 and the graduated class of 1955 are having a weekend reunion in Miami Beach, Florida. They are all staying at the Hotel Radison owned by one of the classmates, Charles Bliss. After graduation Chuck took a trip to settle his nerves and some rich old woman took a liking to his good looks and willed her hotel to him. Chuck has put in a theater and swimming pool and made it the largest privately owned hotel in the world. Three years after graduation Chuck got married to a certain red haired girl and now has five children.

Seated by the rose covered trellises is the former Thelma Hyink. She got married in June right after school was out. She, her husband and their five children live in Arizona where they own a beautiful ranch styled home on the outskirts of Pheonix. Thel was chosen Mrs. Arizona of 1960 and her youngest daughter was recently chosen "Little Miss Sunbeam."

Seated there by the refreshment table with the champagne is Mr. Darrell Johnson. "Johnie" is a confirmed bachelar and says he loves it. He was chosen "Mr. Liar of 1961" for being able to tell the biggest lie. He has made a fortune on doing nothing. He travels from state to state for his own enjoyment.

Standing there in the white ermine is the former Miss Barbara Thompson. After graduation Barb went to Minneapolis and became a registered nurse. She married a very wealthy doctor and they owned a hospital all of their own, but five years ago her husband was killed in an auto accident. Barb came back to Winfred and married her childhood sweetheart. They have twin daughters.

"Mr. Muscle" just stepped in. He is the former Gene Beck. "Mr. Muscle" is his wrestling name. Immediately after graduation Gene went into training and now is the "worlds heavy weight champion." Seven years ago Gene made his TV debut on Channel 11 wrestling in the Hollywood Legion Stadium and has wrestled there frequently since then. He is married to Marilyn Monroe's younger sister and they have three children.

Sitting there strumming his guitar is the very famous "Cousin Bud." He is the former Walter Harmdierks. After graduation Bud started singing on TV and radio. He became so very popular with his "hill billy" singing that he took over a whole network. He is the idle of the younger generation. Cousin Bud is married to Sophie Tucker's daughter and they have four children.

Standing there on the top diving board with a grin of happiness is the former Miss Lorna Westall. She changed her name four years ago when she married a man fifteen years older than she. She is a graduate of the University at Pheonix, Arizona, majoring in Physical Education. She is prominent in many sports. Someday Lorna hopes to be the proud mother of eight boys and one girl. She is a life guard in

FRITZ'S RED&WHITE WINFRED

her privately owned swimming pool in Hawaii and won the 1960 Universal swimming championship trophy.

Last but certainly not least is Orville Johansen. After graduation Orville went to the Army. When he was in China he became very interested in dancing and is now in competition with Arthur Murry. Orville has dancing schools all over the world. He spends nine months out of a year in South America and China teaching them the modern dances of the United States. Orville is married to one of his many girl friends and has three children.

CLASS WILL

Being of sound mind and body I, the representative of the senior class, write this will of the following seniors.

Lorna Westall wills her figure and curves to Joan Maroon; her ability to get sent home from school to her mother's cradle to Donna Hueners; her activeness to Virgil Nipp, and her talkativeness to Jim Friedrich.

Barbara Thompson wills her studying ability to Leonard Robb; her ability to pass for eighteen to Charlotte Beck; her naturally curly hair to Kenneth McCurdy; her ability to get along with others to Sharon Young; her ability of being editor of The Warrior to Donna Hueners.

Darrell Johnson wills his nickname "Gilbert" to Lynnie Williams; his ability to get home late to Diane Potter; his hook shots to Red Westall; his ability to work hard to get out of doing work to Delmar Show; his butch hair cut to Kenneth McCurdy.

Orville Johansen wills his blonde curly hair to Lila Hyink; his ability to always have a girl friend to Bob Thompson; his quietness to Paul Friedrich.

Thelma Hyink wills her cheerleading ability to Leanore Polzen; her ability to reduce to Norma Schutz; her sunny disposition and sweet smile to Sharon Young; her almost constant silliness to Diane Potter and Joyce Westall (but take my advice don't be selfish with it because you have plenty of your own;) and her giggle to Charlotte Beck.

Walter "Bud" Harmdierks wills his knack of "pishin'" to Delmar Show; his polka know-how to Bob Snyder and Bill Hueners; and his big change of personality to Sharon Young.

Chuck Bliss wills his nine lives to Joan Maroon who will undoubtly need them; his ability to go without sleep to Bill Hueners; his ability to get "boosy" on an upside down Root Beer sign to Bob Snyder; and his brownie points to Red Westall.

Gene Beck wills his smart remarks and pet peeves to Leonard Robb and Paul Friedrich, but I don't think they will ever need them. Gene also wills to Jim Friedrich the job of swinging his corner lady; and he wills his grades to Lila Hyink.

Thel and Barb will their good bus seats to Donna Hueners and Lila Hyink. Hang on to 'em, kids.

ANDERSON'S GROCERY WINFRED

Bud and Lorna will their professional dancing abilities to Virgil Nipp and Norma Schutz.

The three senior girls, Lorna, Thel, and Barb, will their three coat hooks that they've had all four years to the three freshman girls to keep, treasure, and cherish the rest of their high school days.

The senior class wills their ability to get along and "stick together" to the sophomore class. They will their school skipping adventures and alibis to the freshman class and also their ability to give good class plays. Good luck, kids.

To the Junior class they will the gum(stuck under the desks); the books, which are in good condition; the row of desks by the warm radiators; the pencils, erasures, old tests, candy wrappers, gum papers, apple cores, and anything else they might find.

To the teachers, the seniors very gratefully will some peace and quiet during the summer months and until the next seniors take over. We advise you to make good use of it.

CLASS HISTORY

The eighth grade had ten pupils: Myron Anderson, Orville Johansen, Bob & Loretta Smith, Gene Beck, Norris Solen, Barbara Thompson, Charles Bliss, Darrell Johnson, and Lorna Westall.

In the fall of 1951 nine green and mischievous freshmen entered the Winfred School. They were Gene Beck, Darrell Johnson, Charles Bliss Orville Johansen, Walter Harmdierks, Thelma Hyink, Barbara Thompson, Lorna Westall and Wuanita Johnson. Mr. Gottsleben, superintendent, Mr. Kloxin and Mrs. Vickere were the teachers. The king and queen candidates were Wuanita Johnson and Charles Bliss.

The sophomore class consisted of the same enrollment excepting Wuanita Johnson who dropped out and went to Orland. The carnival king and queen were Thelma Hyink and Bud Harmdierks. Mr. Gottsleben, superintendent, Mr. Fritz and Mr. Huegelman were the teachers.

Darrell Johnson left us and continued his junior year in Inglewood, California. Bob Smith came from Beadle High School to join us. The king and queen were Barbara Thompson and Orville Johansen. We put on the play "Winning Schemers" with Mr. Fritz as our director. We gave a Junior-Senior Banquet with the Hawaiian theme. Mr. Gottsleben, superintendent, Mr. Fritz, Mrs. Keller one semester and Miss Chapin the other semester were our teachers.

The senior class has now completed their four years of high school education with eight seniors. In a LHC game played before the district tournament, Winfred's Warriors out battled and outplayed the Howard Tigers to take a 75-60 decision. The Warriors led Howard all through the game.

Leonard Robb paced the Warriors with 26 points. Darrel Johnson added 18 and Bill Hueners 15 for the Winfred total. George Loudenslager took individual high scoring honors with 33 points for the Tigers. Graham added 12 to the Howard total.

In the B game preliminary, Howard defeated Winfred 53-32, and in the grade school game, Winfred defeated Howard 57-44.

OUR CONGRATULATIONS to the Winfred Warriors . . . champions of District 12! The Warriors of Coach Bernie Gottlesben played great ball in the district tourney . . . and are well deserving of the title of "Champs"!

We wish them success in the regional tournament at Brookings this week end, where they will tangle with last year's state champs, the Hayti Redbirds in their opening game. If the Warriors are playing ball and hitting the basket in the same style as they did in the district, they will be hard to beat.—Win or lose, we know the Winfred boys will represent the district well in the regional tourney.
